STATEMENT:

The Town of Vulcan requires a policy to formalize the process of the supply and installation of water meters within the Town

1. Residential and Commercial

- 1.1** The Town of Vulcan will supply a new 5/8" water meter to all new utility account holders at a rate established in the rates and fees bylaw. The Town will verify all meters for functionality.
- 1.2** When a plumbing permit is issued, The Town of Vulcan provides the meter to the permit holder. If a larger size of meter than 5/8" is requested, the permit holder will pay the cost established in the rates and fees bylaw.
- 1.3** It is the property owner's responsibility to ensure that a water meter is installed
- 1.4** Water charges are in the property owners name and commence on the date the occupancy permit is issued.

2. Irrigation

- 2.1** All potable water used for solely for the purpose of irrigation of existing landscaped properties or common area must be metered.
- 2.2** The cost of the water meter will be established in the rates and fees bylaw.
- 2.3** Rates for potable water usage apply as established in the rates and fees bylaw.
- 2.4** Town of Vulcan employees are authorized for the seasonal installation and removal of the irrigation meter. The Utility Clerk requires 48 hours' notice prior to the installation date and removal date. A turn on/off fee as established in the rates and fees bylaw will be applied for the seasonal installation and removal of the meter.
